

# SOAP FOR HOPE TOILETRY DRIVE

MAY 15-21, 2017

## Fun Fundraising Ideas

### Challenges

Some of the best results may come from challenges between departments, classes, or groups. Competition fosters teamwork and gets everyone involved, while raising funds/items for Soap for Hope. The team that raises the most can win a prize!

### Food

Try anything food related. Have a bake sale, dessert auction, cook-out, or potluck meal and collect proceeds to benefit your drive. People could make a suggested donation or bring a number of items in lieu of payment.

### Involve Leadership

Ask leadership to allow you to sell chances to “soak the supervisor” with a squirt gun or take a “pie-in-the-face” to benefit your drive!

### Bag A Bath

Sell or give participants a recycled or reusable grocery bag with a list of suggested toiletry items and ask them to fill it. Or attach an envelope they can return with a financial donation.

### Toothy Tuesdays/Fresh Fridays

Collect much need items by highlighting one each day of the week. Toothbrushes and toothpaste Tuesdays. Soap and Deodorant on Fridays, etc.

### Denim Days

Participants can make a donation and dress down for a day. Raise even more money by selling a Denim Day Pass which allows participants a chance to dress down several times throughout the drive.

### Kickball Tournament

Form teams by departments, classes, or groups to compete for the title of Kick Ball Champion in this favorite childhood game. Each team pays an entry fee (items and/or dollars) to participate; give awards for the most creative uniform, team name, or team spirit.
